

Calculus 1 - Homework 10

Professor:

Dr. Joanna Bieri
joanna.bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

1. Watch Lectures:
 - The Power Rule
 - The Exponential Function
 - Other Derivative Rules
2. Read Book:
 - 2.1 Elementary derivative Rules
3. Try Examples:
 - Activity 2.1.2 and 2.1.3 give you lots of practice in taking derivatives. You should be able to do all of these!
4. Make a list of questions for your group and professor. You can post these questions to your group channel.
5. Start working on the practice exam questions.
6. Come get help if you need it!

Get help if you need it!

It is not too late to get caught up and kick butt in this class. If you struggled on the exam get help asap.

Individual tutoring is available through the Academic Success Office - I posted a link on our Teams site.

I have office hours before every class. Come talk calculus with me!!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- ALL: 1-13

Hand In - Video Number 4

Due Monday 9/28 11:59pm NOTE: No video due Monday after the Exam.

From this homework problems 10, 11, 12, 13 will be eligible for a homework video. Please make sure to sign up!
