

Calculus 1 - Homework 21

Professor:

Dr. Joanna Bieri
joanna.bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

1. Watch Lectures:
 - Video: Global Optimization
 - Video: Math Modeling and Applied Optimization
2. Read Book:
 - Chapter 3.3 Global Optimization
3. Try Examples:
 - Activities 3.2.3 and 3.3.4 are good examples of exam questions.
4. Make a list of questions for your group and professor. You can post these questions to your group channel.
5. Start working on the homework problems.
6. Come get help if you need it!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- Exercises 1-4

Hand In - Video Number 8**Due Monday 11/2 11:59pm**

Exercises 1ab, 1cd,, 2ab, 2cd, 3ab, 3cd, 4ab, and 4cd will be eligible for a homework video. Please make sure to sign up!
