

Calculus 1 - Homework 26

Professor:

Dr. Joanna Bieri
joanna.bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

1. Watch Lectures:
 - Video: Introduction to Definite Integral and Riemann Sum
 - Then do the exploration of Riemann Sums
2. Read Book:
 - Read chapter 4.2 Riemann Sums
 - On the exam you should be able to draw both a left and right hand sum, given a graph.
3. Start working on the homework problems.
4. Come get help if you need it!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- Exercises 1-7

Hand In - Video Number 9 Due Monday 11/16 11:59pm

Exercises 4, 5, 6, and 7 will be eligible for a homework video. Also, from the exploration Part 1 A, B, and C and Part 2 A, and B will be eligible for a homework video. Please make sure to sign up!
