

# Calculus 1 - Homework 29

---

**Professor:**

Dr. Joanna Bieri  
joanna.bieri@redlands.edu

---

**Office Hours:**

Check the class website for office hours: [calculus1.joannabieri.com](http://calculus1.joannabieri.com)

---

**Prepare for Class**

1. Watch Lectures:
  - Video: Antiderivatives and Indefinite Integrals
2. Read Book:
  - Chapter 5.1 has some useful information, but we are not officially covering this section.
3. Start working on the homework problems.
4. Come get help if you need it!

**Homework Problems**

You should attempt all these problems before class, but we will work on them in class with our groups.

- Worksheet - Antiderivatives and Integrals

**Hand In - Video Number 10****Due Monday 11/23 11:59pm**

Worksheet problems 1, 2.1, 2.2, Part 3.1, 3.2, 3.3, 3.4
