

Calculus 1 - Homework 30

Professor:

Dr. Joanna Bieri
joanna_bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

Today we are **SKIPPING TO CHAPTER 7.1 An introduction to Differential Equations.**

1. Watch Lectures:
 - Video: Introduction to Differential Equations
 - Video: Example Problems with Differential Equations
2. Read Book:
 - Chapter 7.1 - yes we really are skipping forward for the last day!
3. Start working on the homework problems.
4. Come get help if you need it!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- Exercises 1-6

Hand In - Video Number 10

Due Monday 11/23 11:59pm

Exercises 4, 5 and 6 are eligible for a Homework Video.

Review Problems for the Exam

(also eligible for a Homework Video):

Activities:

- 4.1.3
- 4.3.2 a, b, c, and d
- 4.3.3 a, b, c, d, and e
- 4.4.2 a, b, c, d and e
- 4.4.3 table, a, b, and c
- 7.1.4
