

Calculus 1 - Homework 7

Professor:

Dr. Joanna Bieri
joanna.bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

1. Watch Lectures:
 - The Second Derivative
2. Read Book:
 - 1.6 The Second Derivative
3. Try Examples:
 - Activity 1.6.2 and 1.6.3 are both examples of good exam questions. Please try these!
4. Make a list of questions for your group and professor. You can post these questions to your group channel.
5. Come get help if you need it!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- ALL: 1-9

Hand In - Video Number 3

Due Monday 9/14 11:59pm

From this homework problems 6, 7, 8, 9 will be eligible for a homework video. Please make sure to sign up!
