

Calculus 1 - Homework 8

Professor:

Dr. Joanna Bieri
joanna_bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus1.joannabieri.com

Prepare for Class

1. Watch Lectures:

- Limits (again)
- Continuity
- Differentiability

2. Read Book:

- 1.7 Limits, Continuity, and Differentiability

3. Try Examples:

- Activity 1.7.3 is an example of good exam questions.

4. Make a list of questions for your group and professor. You can post these questions to your group channel.

5. Come get help if you need it!

Homework Problems

You should attempt all these problems before class, but we will work on them in class with our groups.

- ALL: 1-8

Hand In - Video Number 3**Due Monday 9/14 11:59pm**

From this homework problems 5, 6, 7, 8 will be eligible for a homework video. Please make sure to sign up!
