

Calculus 2 - Homework Day 15

Professor:

Dr. Joanna Bieri
joanna.bieri@redlands.edu

Office Hours:

Check the class website for office hours: calculus2.joannabieri.com

Homework Problems due Before Next Class

1. WeBWorK - No new WeBWorK problems
2. Book Problems - No new Book Problems
3. Do the Worksheet from In Class Day 15
4. Moodle - Please write up the Numerical Integration - Full Example Worksheet from in class

Prepare for Next Class:

1. Look for PRE CLASS material under Day 16
2. Make a list of questions for your group and professor.
3. Take the daily survey.

Other Notes:

Start making your “cheat sheet” for Exam 2. This should be one sheet of paper that has formulas and hints on it.
