

Differential Equations – Advanced Problem Set 8

Professor:

Dr. Joanna Bieri

joanna_bieri@redlands.edu

Directions: Do the following book problems

Chapter 8.2 problem 18

Chapter 8.3 problem 35 and 39

Other Notes:

1. Number 18 is asking you to do work similar to Example 6 where there is a shift to make the series centered at $a = 0$ work for the ode.
