

Differential Equations – Homework 11

Professor:

Dr. Joanna Bieri

joanna_bieri@redlands.edu

Homework 11

From the book:

Chapter 3.3 Problems: 7, 9, 15, 27, 39, 40

Other Notes:

1. Take some time to Review Complex Numbers. It is a good skill to be comfortable with complex numbers. Challenge: see if you can do Chapter 3.3 Problem 43.
2. Take some time to Review Algebra. It is especially important that you can deal with exponentials and logs.
