

Differential Equations – Homework 22

Professor:

Dr. Joanna Bieri

joanna_bieri@redlands.edu

Homework 22

Directions: Do the following book problems

Chapter 8.2 problems 2, 3, 6 and 16

Other Notes:

1. It is okay if your answer doesn't match the exact form of the book solutions! Check that your answer gives that same series as the books answer. It can be hard to perfectly simplify the form of the coefficient.
