

Differential Equations – Homework 6

Professor:

Dr. Joanna Bieri

joanna_bieri@redlands.edu

Homework 6

Directions: Do the following book problems

From the book:

Section 1.6: 5, 33, 36

Chapter 1 Review Problems: 3, 6, 31

Other Notes:

1. Remember to keep working on your foundational skills. Take a minute now to give a gift to the future you!
2. For the chapter review problems your challenge is to figure out which solution method will work!
