

Partial Differential Equations - Homework Day 20

Professor:

Dr. Joanna Bieri

joanna.bieri@redlands.edu

Read and Take Notes

1. Start reviewing for the exam.
2. Finish up all homework.

NOTE: this homework is not handed in, but you can check your solutions!

Homework

1. *Problems* - Do problems all at the end of Chapter 23 - this means finish the problems that you already started on the last homework and continue with the new problems.
