

Partial Differential Equations - Homework Day 5

Professor:

Dr. Joanna Bieri

joanna.bieri@redlands.edu

Homework

1. *Farlow* - Do all problems at the end of Lesson 7.

Read and Take Notes

(prep for next class)

(a) *Farlow* - Lesson 8

(b) **Submit your class prep notes on Canvas.**

Other Notes:

1. Make sure to be reading ahead of the class and taking notes!
2. Really work to be organized in your calculations, this will help you to not feel so overwhelmed! Do one step at a time and only think about that step.
