

Partial Differential Equations - Homework Day 9

Professor:

Dr. Joanna Bieri

joanna.bieri@redlands.edu

Read and Take Notes

1. *Farlow* - Lesson 9 - review the chapter - we are going to stay in this chapter for one more class.

Homework

1. *Farlow* - Do all problems at the end of Lesson 9.

Other Notes:

1. Keep up the good work!! Make sure you are getting help if you have questions. At this point in the class you should be extremely comfortable with the ideas behind solving eigenvalue problems and finding eigenfunctions.
